

CREDAI Property Show' 09 - Pune
Period: August 07 - 09, 2009

CREDAI (formerly known as PBAP) – Pune recently held property exhibitions themed as ‘Best of North and South Pune’ at three places simultaneously viz., Chinchwad MIDC, Pushpak Mangal Karyalya, Singhad Road and Aditya Business Court, Kondhwa. All the three exhibitions were held between Aug 07 to Aug 09.

The exhibitions received a moderate response mainly due to the outbreak of ‘swine flu’. PSG Research & Consultancy team visited all the three sites and has following observations to share.

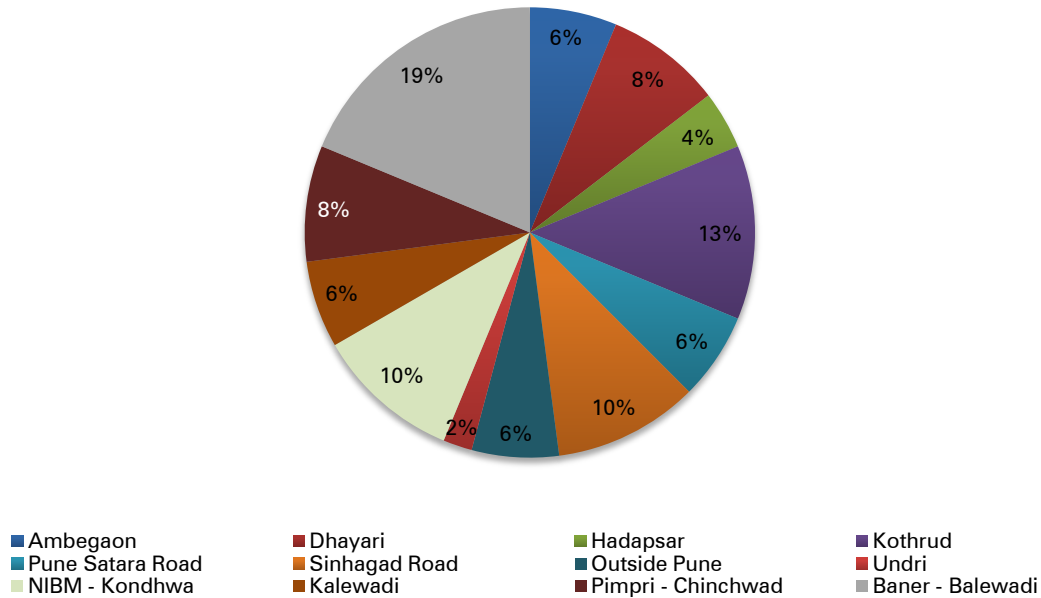

- Projects showcased at Chinchwad:** The exhibition showcased the projects of close to 20 developers including some of the prime developers from Pune. Though the name of the project was Best of North Pune, properties were displayed across Pune. Projects in outskirts of Pune Like Talegaon, Chakan were also on display contributing to nearly 12% of the total projects exhibited. Developers like G. K. Builders, Sagar Properties, Mittal Brothers etc. participated in the exhibition.

Distribution of Projects Exhibited : Chinchwad

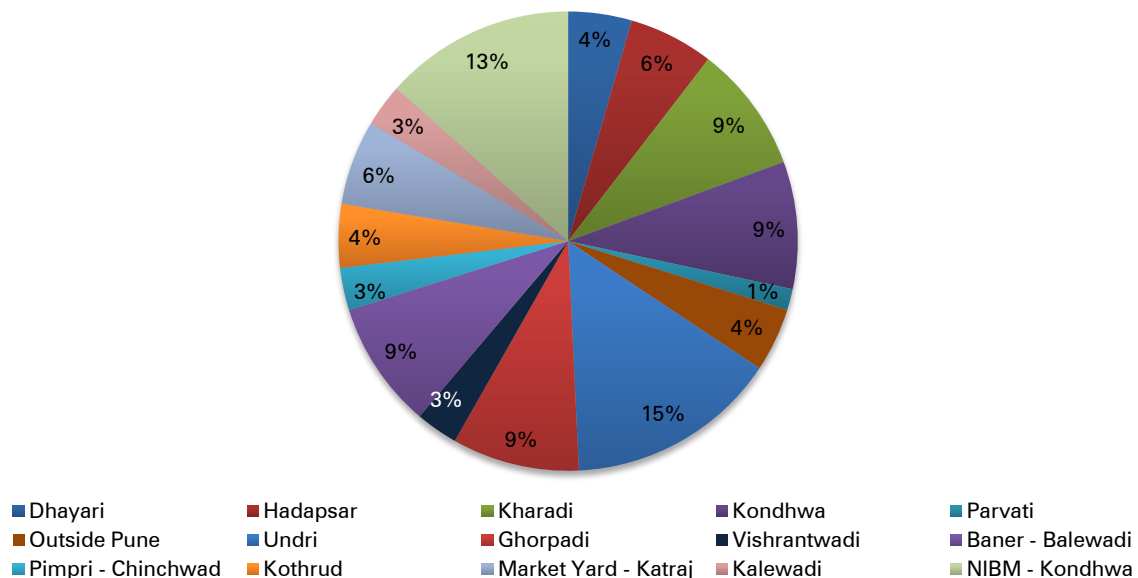

- **Projects showcased at Sinhagad Road :** Around 50 projects were on display in the exhibition. Projects in the outskirts of Pune were around 6% which mainly included properties from Talegaon and Tathwade. Developers like Amit Enterprises, Darode Jog, Magarpatta etc, had put up their stalls in the exhibition.

Distribution of Projects exhibited : Sinhagad Road

- **Projects showcased at Kondhwa:** Properties from across Pune were exhibited with major projects from south Pune. Developers like Kumar Properties, Aditya Builders, Amit Enterprises, Nyati, Kolte Patil, Runwal, Goel Ganga, etc participated in the exhibition.

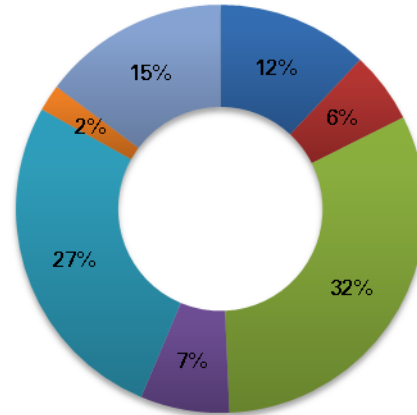

Distribution of Projects exhibited : Kondhwa

Product Mix:

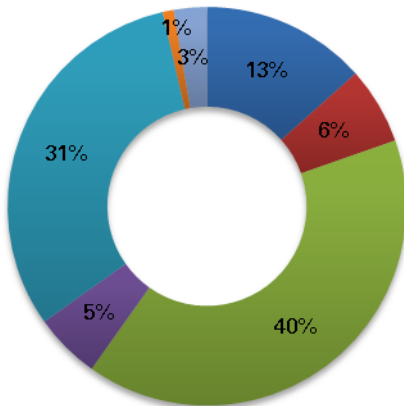

2 BHK configuration was offered in 32% of the projects displayed at Chinchwad expo, followed by 3 BHK which was offered in 27% of properties. 15% of the projects were offering units with 4 BHK & above which mainly included row houses/ bungalows.

Distribution of Apartment Type : Chinchwad

■ 1 BHK ■ 1.5 BHK ■ 2 BHK ■ 2.5 BHK ■ 3 BHK ■ 3.5 BHK ■ 4 BHK & above, RH

Distribution of Apartment Type : Sinhadad Road

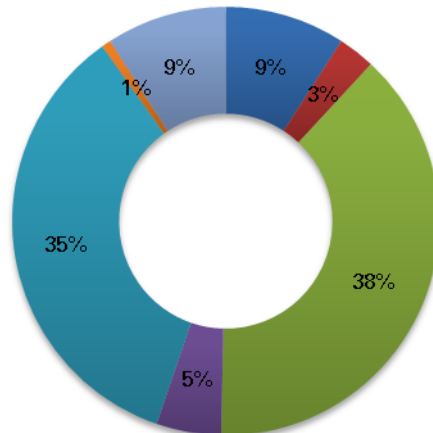

■ 1 BHK ■ 1.5 BHK ■ 2 BHK
 ■ 2.5 BHK ■ 3 BHK ■ 3.5 BHK
 ■ 4 BHK & above, RH

2 BHK continues to be the most popular configuration with 40% projects in the Sinhadad expo, offering the same, followed by 3 BHK with 31%. It seems that the 1 BHK apartment type is also finding its footing as it was offered by around 13% projects in the exhibition, indicating affordable housing is slowly but surely catching up in this part of Pune.

In the Kondhwa exhibition, the 3 BHK configurations (offered in 35% projects) were equally popular amongst developers as the 2 BHK (offered in 38% projects). 1 BHK was offered only by 9% of the projects.

Distribution of Apartment Type : Kondhwa

■ 1 BHK ■ 1.5 BHK ■ 2 BHK ■ 2.5 BHK ■ 3 BHK ■ 3.5 BHK ■ 4 BHK & above, RH

Amenities : Projects in Pune have been primarily associated with premium amenities which was also evident in all the three exhibitions, as most of the projects offered amenities such as club house, swimming pools, designer landscaped gardens, rainwater harvesting, skating rink, jogging track, amphitheatre, video door phone, broadband connectivity, etc.

Pricing : The average price range of the projects exhibited was around Rs 3130 per sq ft. for Chinchwad expo, Rs. 3230 for Kondhwa and Rs. 3265 for Sinhagad Road.

We observed an upward revision of property rates within a range of 5% to 10% in most of the areas in the city as compared to June '09 price points.

Our View:

Assuming an average apartment size of 1000 sq. ft., the average cost for a residential apartment in Pune works out to around Rs. 32 lacs. Assuming the end buyer would opt for home loan equivalent to 80% of the total property cost, the target customers would fall in the income bracket of Rs. 60,000 per month and above.

Though the supply of 1 BHK units seems to have slightly increased as compared with earlier exhibitions, 2 BHK & 3 BHK remain the popular configurations amongst the developers. Also Pune, traditionally being an investment market, the apartment size for a 2 BHK ranges between 900 sq. ft. to 1200 sq. ft. Thus, the developers may consider reducing the apartment size so as to bridge the stretch currently faced by the prospective home buyers.

Details of the projects on display have been tabulated as below:-

Sr. No.	Developer	Project Name	Location	Type-BHK	Rate Per Sq Ft (Rs.)	Completion Date
1	Aditya Builders	Garden city	Warje	2 / 3	3500	Ready
		Breeze Park	Baner - Balewadi	3	3000	Ready
		Comfort Zone	Baner - Balewadi	2 / 3	3500	Ready
