Dhawan always ready to help youngsters

PTI ■ HARARE

He might have been relegated to vice-captaincy after KL Rahul's late inclusion but team's senior-most player is always ready to lend a helping hand to the youngsters who seek out for him.

Dhawan was all set to lead the team in a three-match ODI series here but now that he will be performing the duties of a deputy, he is ready to put his best foot forward.

"I quite enjoy sharing my experience with the youngsters in the team. I first came here in 2014 (actually 2013), when Duncan Fletcher was the Indian coach. If they (youngsters) reach out to me for any suggestions, I am (always) there to answer them," Dhawan told reporters at a media conference here.

The 36-year-old southpaw is rather happy that skipper Rahul will get the much-needed game time ahead of the all-important Asia Cup.

"It is a very good news that KL (Rahul) is back and will be leading the side as well. He is one of the main players of this Indian team. It will be a good outing for him before the Asia Cup gets underway. I am sure he will gain a lot from this tour," Dhawan said.

All-rounder Washington

Sundar who was a sure-shot starter against Zimbabwe was ruled out after he injured his left shoulder in the Royal London One Day Cup.

The 22-year-old Chennai lad last donned the Indian colours during the West Indies series in February 2021.

"It's sad that Washington is out. He is quite an important player for the side. But it's part and parcel...injuries happen. Hope, he will recover soon. He will be missed him as a spinner but we have got a good back-up through Kuldeep Yadav and Deepak Hooda, who also bowls off-spin," the Indian vice captain said.

While India is back in the southern African nation for the first time since 2016 and haven't played much against them in the last few years, Dhawan was of the opinion that should not take Zimbabwe, especially after their recent series win against Bangladesh.

"They have won against Bangladesh. They are playing good cricket. It's good for us and we cannot take anything for granted. It's about the process."

Regardless of the team we are facing, we always make sure we do things right so that we end up getting the right results. That will once again be our focus as a team," Dhawan said.

Dhawan praised senior Zimbabwean batter Sikandar Raza and said that the Indian bowlers will have to bowl smart against the latter to contain him in the right time.

"He is a very good player. He has been playing for Zimbabwe for a long time. He is a quality player. I am sure our bowlers will come up with nice plans against him," he said.

Dhawan went on to add that the series against Zimbabwe will be crucial for a number of youngsters in the squad like Shubman Gill, Avesh Khan, Ishan Kishan, and the exposure they are getting will be extremely beneficial to them in the coming days.

"The youngsters, these days, have got more exposure. They are confident and they have got good technique. Their confidence level is quite high because of domestic and IPL. We feel that we have got so many options. It is a healthy sign for the team," Dhawan said.

India Women's to play 2 Tests in next 3 years

Women's in Blue to play 2 Tests, 27 ODIs and 36 T20Is in FTP 2022-2025

PTI ■ DUBAI

The Indian women's team will play as many as 65 international games in the inaugural Future Tours & Programmes (FTP) set by the ICC during the three-year-cycle between May, 2022 to April, 2025.

The ICC on Tuesday announced the structured calendar that includes a total of 301 matches (seven Tests, 135 ODIs and 159 T20Is) over a period of three years.

India's share of matches will be two Tests against England and Australia along with 27 ODIs and 36 T20 Internationals during the said duration.

Since the FTP has started from May, 2022, India have already played 3 WODIs and 3 WT20Is against Sri Lanka.

As per the list, India hosts New Zealand, South Africa, West Indies and Ireland at home, the away series are against Australia, England, Sri Lanka (already played) and Bangladesh.

One of the marquee events in this phase will be India's five-match T20I series against the 'Southern Stars' later this year.

While the Australians will be visiting India once again during the summer of 2023-24 for a multi-format series (one Test, three ODIs, and three T20Is), the Indians will return the favour when they tour Down Under in the winter of 2025-26 (one Test, three ODIs, and three T20Is).

Of the seven Tests inked during the phase, England will play the most Tests - five, followed by Australia (four), South Africa (three) and India (two).

"This is a huge moment for the women's game," ICC general manager of cricket, Wasim Khan, said in a statement.

"This FTP not only lends certainty to future cricket tours but also sets the base for a structure that is sure to grow in the coming years," Khan added.

According to ICC, the 2022-25 Women's Championship, teams will generally play three-match bilateral ODI series before the 2025 World Cup.

Many of these series will also be accompanied by T20 international matches, with some teams also giving its consent for five-match WT20I series.

"All bilateral T20I matches count towards respective team rankings, which in turn serves as a primary mechanism for determining the teams that qualify for ICC global events," ICC said in its statement.
