

Uppal man, son hacked to death

EXPRESS NEWS SERVICE
@ Hyderabad

BRUTAL and bloody murder of a father and son duo in the early hours of Friday shattered the morning peace of Sai Hanuman Nagar in Uppal. The masked assailants came out of the hostel building located right opposite side of the victims' house and hacked 73-year-old Narasimhula Narasimha Murthy to death while he was sitting outside in the early hours. The murder happened in a flash even as the horror-struck maid servant of the victim watched. She was threatened by the men who appeared to be in murderous mood.

His son Srinivas, 45, came out running upon hearing the commotion and tried to catch one of the killers. But he, too, was slaughtered by the two men. A senior police official said, "The incident took place at around 5:30 am when Narasimha Murthy was sitting outside his house and the maid was sweeping the courtyard. The assailants fled the spot immediately after murdering the father and son."

A dog squad was pressed into service to catch the culprits. The footage of the CCTV cameras in the surrounding areas were checked.

No abnormality in Munugode voter list: HC

Total voters in Munugode as on October 12, 2018 were 2,14,847; the number of electorate rose to 2,38,759 now

EXPRESS NEWS SERVICE
@ Hyderabad/Nalgonda

A BENCH, comprising Chief Justice Ujjal Bhuyan and Justice CV Bhaskar Reddy, on Friday declared that it found no abnormality in the Munugode voters list provided to the Telangana High Court.

However, the court adjourned further hearing on the writ case filed by BJP State general secretary Gujjala Venkata Krishna Reddy to October 21, while instructing the Election Commission

of India (ECI) to submit the most recent updated voter list.

After reviewing the statement provided by the Chief Election Officer, the bench concluded that "the total voters in Munugode as of October 12, 2018 were 2,14,847, and as of October 11, 2022, this number has increased to 2,38,759. This increase, the bench ruled, was not unusual.

Avinash Desai, standing counsel for the ECI, submitted a signed statement of the

Chief Electoral Officer of Telangana and informed the court that pursuant to Section 23(3) of the Representation of the Peoples Act, the electoral list for Munugode will be frozen on Friday, the last day of filing of nominations.

As per the CEO's statement, the authorities received a total of 25,013 Form 6 applications, of which 7,247 were rejected and 12,249 approved. As of October 11, 2022, a total of 5,517 Form 6 applications were pending. Also, 2,142 Form 8 applications were re-

ceived, of which 1,813 were rejected and 239 accepted and 182 were pending.

B Rachana, counsel for the petitioner, told the court that the authorities were not adhering to the Registration of Electors Rules-1960. She pointed out that as per Rule 10, the registration officer shall make available the draft electoral roll for inspection at his office as soon as it is ready.

After hearing counsel, Justice Bhuyan asked: "What order do you want? Do you wish to put the elections on hold or

freeze the voter list? Those individuals are not before us; you are requesting that they be removed from the voter list; we cannot do so; your decency has been recorded, and the writ petition is still ongoing. If you win by a large margin, that may be the end; if you lose by a small margin, we will look into it."

Meanwhile, there was a flood of nominations filed for the Munugode byelection on Friday, the last day. As many as 129 candidates turned up to file nominations.

Cops follow Shafi's money trail for more accused

EXPRESS NEWS SERVICE @ Kochi

THE special investigation team (SIT) probing the Elanthoor human sacrifice case is closely scrutinising the financial dealings of Mohammed Shafi, the mastermind behind the crime, to check whether more persons are involved in the murders.

It is also gathering details about the pledging of 36 grams of gold by Shafi. There are indications that the ornaments, which he pledged in a financial firm near his rented house in Gandhi Nagar, Kochi, were owned by Padmam,

the lottery seller who was sacrificed by Shafi and couple Bhagaval Singh and Laila on September 26.

The police said Shafi had collected ₹1.1 lakh from the firm after telling them that a woman from Tamil Nadu had lent him the gold to help with his financial issues. Padmam hailed from

Dharmapuri in Tamil Nadu.

Sources said Shafi had pledged gold ornaments, suspected to be of the deceased, in several Kochi firms. The police said they were confident of recovering the jewellery.

The police said they are also searching for Shafi's SUV in which he brought the victims to

Elanthoor from Kochi.

Meanwhile, the SIT searched Shafi's rented house for nearly six hours on Friday and recovered papers of vehicles he possesses and other documents. They also carried out evidence collection at the house and the restaurant he ran in the city to recover the ornaments. Sources said Shafi also owns a jeep and had once owned a bus.

The SIT also collected the detailed statement of his wife Nabeesa. She said Shafi had given her ₹40,000 from the money he got after pledging the ornaments.

We are also searching for Shafi's SUV in which he brought the victims to Elanthoor from Kochi. Evidence collection with the other accused in Elanthoor will be done in the coming days

₹1,082-crore cable-stay-cum-suspension bridge to link Andhra-Telangana temples

EXPRESS NEWS SERVICE @ Hyderabad

ALMOST two-decade-old dream of the people living on either side of Krishna river separating Telangana and Andhra Pradesh is soon going to be a reality as the Centre has approved the construction of Somasila-Siddheshwaram cable-stay-cum-suspension bridge at a cost of ₹ 1,082.56-crore. The bridge will not only improve the road connectivity between the two States, but will also significantly reduce the travel time.

The demand for the bridge came after a tragic incident on January 19, 2007, when a boat from four villages in Kurnool district to the Laxminarasimha Swamy temple jatara in Singotam on Telangana side of the river, capsized resulting in the death of 61 passengers.

YS Rajasekhara Reddy, the then chief minister of the erstwhile AP, had sanctioned ₹ 50 crore for construction of a bridge, but his untimely death, coupled with political uncertainty later, had left the project in cold storage.

Even though his successor N Kiran Kumar Reddy had sanctioned ₹ 250 crore later, the project couldn't take off. After the formation of Telangana, the State government sanctioned ₹ 190 crore,

Approach road works of a cable bridge under progress in Karimnagar | EXPRESS

but the Andhra Pradesh government did not show any interest in the project.

It was only since 2018, the barrier became an election issue in Kollapur Assembly constituency in Nagarkurnool district, as it is not only a road connectivity issue, but also has a cultural aspect to it, as the people on both sides of the river, though geographically separated, have family connections. What further fuelled the demand was the tourism potential due to the presence of Srisaillam reser-

voir and Nallamala forest in Kollapur.

The Centre had sanctioned ₹ 1,700 crore by extending the 122 km highway to connect Kalwakurthy and Kollapur in Telangana, to Atmakur and Nandyal in AP. With the construction of the bridge which forms part of the highway, the total distance between Hyderabad and Tirupathi is expected to be reduced by 80 km, and would relieve those travelling to Nandyal from going via Kurnool.
