Malaria, dengue new headache for health dept

Rain leading to mosquitogenic conditions

EXPRESS NEWS SERVICE @Bengaluru

IN the wake of incessant rain and floods in several parts of the state, the health department is on high alert and has come up with an action plan with measures to check outbreak of vector and water-borne diseases, Health Minister Dr K Sudhakar said.

like situation in several parts of the state is leading to increased mosquitogenic conditions and a surge in malaria, dengue, chikungunya, Japanese encephalitis, lymphatic filariasis, and also water-borne diseases. Sudhakar said he held a meeting with senior officials and is personally monitoring the situation, seeking updates from district administrations on a daily basis.

Samiti plans 'Tiptur Chalo' on Sunday

EXPRESS NEWS SERVICE @Bengaluru

THE Vishwamana Krantikari Mahakavi Kuvempu Horata Samiti which had staged a huge rally at the Freedom Park here on June 18 over textbooks revision has now planned 'Tiptur Chalo' on Sunday demanding the removal of Primary and Secondary Education Minister B C Nagesh.

"Except for issuing corrigendum for the flaws committed by the Rohit Chakrathirra committed in the revision of textbooks, no action has been taken against him," alleged writer Mukundraj while addressing the media on Thursday.

Just for namesake, Kannada and Culture Minister Sunil Kumar has promised to include the chapter on social reformer Narayanaguru in the class VII social science, he said.

The seminars on the issue have been held at many places including Chikkamagaluru, Tumakuru and Shrivanebelagola and now the rally will be held at Tiptur which is the hometown of the minister.

"We are proud that our town's man is the minister but now he has become a tainted one. We want him to be removed from the cabinet," urged Shashidhar, a Congress leader.

Another writer Gangadharaiah Makalli said the samiti will create awareness among the people who had elected him.

JDS spokesman Gangadharamurthy, leaders Manjunatha, Yalachavadi Nagaraj, Prabha N Belavangala and others were present.

Ganja, red sanders dominate crime meet

SPs of several districts in Karnataka and Andhra Pradesh light the lamp to mark the inauguration of the interstate crime meeting in Kolar on Thursday

KOLAR: Uprooting ganja and illegal transportation of red sanders logs dominated the interstate crime meeting held at Hogalakere in Kolar on Thursday.

SPs of Kolar, Chikkaballur and KGF in Karnataka and Chittoor and Annamaya districts in Andhra Pradesh were present in the meeting. The senior police officials deliberated on how to control the ganja menace which is transported from Andhra Pradesh via Chittoor district. They also discussed on curbing illegal transportation of cows, red sanders logs. Even the issue of identification of bodies was also taken up in the meeting.

The cops also shared their views on cracking interstate theft and murder cases and nab the accused with better coordination among the department.

7 test +ve in Hassan dist

EXPRESS NEWS SERVICE @Hassan

AS many as seven Covid-19 cases were reported in the district on Thursday. A total of 20 persons have contracted the virus in the last one week. According to district health officer Dr Satish, the cases are increasing due to continuous rain and cold weather. Meanwhile, the health staff are testing 500 to 550 people at primary health centres and at taluk hospitals daily. The DHO has urged the people to wear masks at public places and gatherings.

ACTION PLAN

- District administrations instructed to ensure preparedness to respond to outbreak of diseases, and ensure treatment and management of cases at all healthcare facilities
Instructions given to set up a control room for close monitoring and coordination at all levels
Officers directed to form rapid response teams at the district and taluk level, and be ready with the requisite equipment and mobility support, including diagnostic kits, drugs, insecticide, larvicide, to respond to any emerging health situation
Officials instructed to have village or ward-level micro-plan ready for flood-prone areas, to implement necessary control measures
Medical officers at PHCs instructed to increase or strengthen disease-specific surveillance activities, analyse data at micro-level to detect upsurge in vector-borne diseases, so containment measures can be taken
District and taluk health officers directed to visit areas at risk to ensure surveillance activities and availability of necessary logistics. They have been asked to monitor entomological indices or parameters, predict impending outbreaks, so that preventive measures can be implemented in time
Officers asked to hold interdepartmental coordination meetings, to seek necessary cooperation on their roles during flood or outbreak situations

City doctors perform state's first rare procedure for intestinal block

EXPRESS NEWS SERVICE @Mysuru

A team of expert doctors performed a rare procedure - Endoscopic gastro-jejunostomy - to give a new lease of life to a 49-year-old.

Apollo BGS Hospitals, Institute of Gastro Sciences performed the rare procedure, a first-of-its-kind to be done in the state, opening new doors for the patient that could avoid an open surgery.

The patient had cancer of the pancreas and there was a recurrence of the tumour which caused blockage of the intestinal loop that was also draining the bile.

Due to poor bile flow, the patient developed infection in the bile (cholangitis) and pus collection in his liver and could not consume food orally. The option was to undergo surgery to relieve the obstruction but instead he was made to undergo an endoscopic procedure to get relieved of his pain and be able to consume food.

Performing the novel procedure 'Endoscopic Ultrasound guided Gastrojejunostomy', Dr Rajkumar P Wadhwa said: "We placed a self-expanding metal stent between the stomach and a loop of small intestine. This opened up the pathway for drainage of bile and the intestinal secretions and

as a result of which the patient's infection and jaundice resolved. He is now able to eat normally. He was discharged within 24 hours of the procedure."

Bharateesha Reddy, vice-president and Unit Head, Apollo BGS Hospitals, informed that this is the first time the rare procedure Endoscopic Ultrasound (EUS) guided Gastrojejunostomy was performed in Karnataka.

"Very few centres in India have the expertise to perform this procedure. This is a breakthrough achievement for us defining our advancement and progression in the Gastro Science excellence," he said.

CM to take final call on fine: Minister

CONTINUED FROM PAGE 1

"WE may have to think about fining people who do not wear masks. Before it gets out of hand, we need to take all precautionary measures. It is in the discussion stage and we will take a final call after consulting Chief Minister Basavaraj Bommai," he added.

With active Covid-19 cases in Mumbai (3,318) and Delhi (1,960) reducing, Bengaluru now has the highest number of active cases among metropolitan cities in India at 6,158 cases. However, the number of clusters in Bengaluru have reduced to 12, including 10 in Mahadevapura zone and one each in West and Yelahanka zones.

All these clusters are in apartments wherein there are a large number of IT employees. These clusters were detected when they underwent Covid tests for international travel.

With this in the background, Sudhakar pointed out that at present when someone is infected, as symptoms are not severe and no hospitalisation is required, people tend to take it casually. Besides, with the case fatality rate being '0', people have begun ignoring precautions as the fear of getting infected is no longer playing a role on people's mind to force them to take Covid appropriate behaviour.

"We do not know much about post-Covid developments as it is just 2.5 years old. We do not know what the post-Covid effects are. They vary from person to person. But we need to be watchful. We should be taking all precautionary measures," he said.

When asked if the increase in cases indicated the advent of the fourth wave, the minister denied, saying this cannot be called a 'wave'.

"Every three to four months, cases keep fluctuating. We need to wait and watch," he added.

WAITING FOR KIDS' VACCINATION: MANDAVIYA

Union Health Minister Mansukh Mandaviya said all decisions taken by the government on vaccination are based on experts' recommendations. So far, they have not advised any vaccination for children below 12 years. The minister said precautionary doses which were announced for free for all above 18 years on Wednesday is expected to improve immunity of this large population. This will help fight Covid. Regarding vaccine supply, he said there are six companies in India manufacturing Covid vaccines. "The vaccine manufacturing capacity is now enhanced to 20 crore doses. There are a number of vaccines, but we are now also sending them to more than 100 countries," he said.

CHANGE OF NAME

I, HUSSAIN KHAN S/o Kareem Ulla Khan alias Nazeer Ulla Khan, residing at Kattigenahalli village, Hoskote Taluk, Bengaluru Rural District, do hereby state that my name as per educational records and other documents is mentioned as Hafiz Imtiyaz Khan.
