Malaria, dengue new headache for health dept

Rain leading to mosquitogenic conditions

EXPRESS NEWS SERVICE @Bengaluru

IN the wake of incessant rain and floods in several parts of the state, the health department is on high alert and has come up an action plan with measures to check outbreak of vector and water-borne diseases, Health Minister Dr K Sudhakar said.

He said that rain and flood-

like situation in several parts of the state is leading to increased mosquitogenic conditions and a surge in malaria, dengue, chikungunya, Japanese encephalitis, lymphatic filariasis, and also water-borne diseases. Sudhakar said he held a meeting with senior officials and is personally monitoring the situation, seeking updates from district administrations on a daily basis.

- District administrations instructed to ensure preparedness to respond to outbreak of diseases, and ensure treatment and management of cases at all healthcare facilities
- Instructions given to set up a control room for close monitoring and coordination at all levels
- Officers directed to form rapid response teams at the district and taluk level, and be ready with the requisite equipment and mobility support, including diagnostic kits, drugs, insecticide, larvicide, to respond to any emerging health situation
- Officials instructed to have village or ward-level micro-plan ready for flood-prone areas, to implement necessary control measures
- Medical officers at PHCs instructed to increase or strengthen disease-specific surveillance activities, analyse data at microlevel to detect upsurge in vector-borne diseases, so containment
- District and taluk health officers directed to visit areas at risk to ensure surveillance activities and availability of necessary logistics. They have been asked to monitor entomological indices or parameters, predict impending outbreaks, so that preventive measures can be implemented in time
- Officers asked to hold interdepartmental coordination meetings, to seek necessary cooperation on their roles during flood or outbreak situations

City doctors perform state's first rare procedure for intestinal block

EXPRESS NEWS SERVICE

A team of expert doctors performed a rare procedure -- Endoscopic gastro-jejunostomy -- to give a new lease of life to

a 49-year-old Apollo BGS Hospitals, Institute of Gastro Sciences performed the rare procedure, a first-of-its-kind to be done in the state, opening new doors for the patient that could avoid an open surgery.

The patient had cancer of the pancreas and there was a recurrence of the tumour which caused blockage of the intestinal loop that was also draining the bile.

Samiti plans 'Tiptur Chalo' on Sunday

EXPRESS NEWS SERVICE @Bengaluru

THE Vishwamanava Krantikari Mahakavi Kuvempu Horata Samiti which had staged a huge rally at the Freedom Park here on June 18 over textbooks revision has now planned 'Tiptur Chalo' on Sunday demanding the removal of Primary and Secondary Education Minister B C Nagesh

"Except for issuing corrigendum for the flaws committed by the Rohit Chakrathirta committed in the revision of textbooks, no action has been taken against him," alleged writer Mukundraj while addressing the media on Thursday.

Just for namesake, Kannada and Culture Minister Sunil Kumar has promised to include the chapter on social reformer Narayanaguru in the class VII social science, he said.

The seminars on the issue have been held at many places including Chikkamagaluru, Tumakuru and Shravanabelagola and now the rally will be held at Tiptur which is the hometown of the

minister. 'We were proud that our town's man is the minister but now he has become a tainted one. We want him to be removed from the cabinet. urged Shashidhar, a Congress leader.

Another writer Gangadharaiah Makalli said the samithi will create awareness among the people who had elected him.

JDS spokesman Gangadharamurthy, leaders Manjunatha, Yalachavadi Nagaraj, Prabha N Belavangala and others were present.

CM to take final call on fine: Minister

CONTINUED FROM PAGE 1

"WE may have to think about fining people who do not wear masks. Before it gets out of hand, we need to take all precautionary measures. It is in the discussion stage and we will take a final call after consulting Chief Minister Basavaraj Bom-

With active Covid-19 cases in Mumbai (3,318) and Delhi (1,960) reducing, Bengaluru now has the highest number of active cases among metropolitan cities in India at 6,158 cases. However, the number of clusters in Bengaluru have reduced to 12, including 10 in Mahadevapura zone and one each in West and Yelahanka

All these clusters are in apartments wherein there are a large number of IT employees. These clusters were detected when they underwent Covid tests for international travel.

With this in the background, Sudhakar pointed out that at present when someone is infected, as symptoms are not severe and no hospitalisation is required, people tend to take it casually. Besides, with the case fatality rate being '0', people have begun ignoring precautions as the fear of getting infected is no longer playing a role on people's mind to force them to take to Covid appropriate behaviour.

'We do not know much about post-Covid developments as it is just 2.5 years old. We do not know what the post-Covid effects are. They vary from person to person. But we need to be watchful. We should be taking all precautionary measures,' he said.

When asked if the increase in cases indicated the advent of the fourth wave, the minister denied, saying this cannot be called a 'wave'.

"Every three to four months, cases keep fluctuating. We need to wait and watch." he added

WAITING FOR KIDS' VACCINATION: MANDAVIYA

Union Health Minister Mansukh Mandaviya said all decisions taken by the government on vaccination are based on experts' recommendations. So far, they have not advised any vaccination for children below 12 years. The minister said precautionary doses which were announced for free for all above 18 years on Wednesday is expected to improve immunity of this large population. This will help fight Covid. Regarding vaccine supply, he said there are six companies in India manufacturing Covid vaccines. "The vaccine manufacturing capacity is now enhanced to 20 crore doses. There are a number of vaccines, but we are now also sending them to to more than 100 countries," he said.
