

Trauma care centre to open its doors for all

KIRAN BALANNANAVAR @Ballari

KALYANA Karnataka's first and state's third Trauma Care Centre that opened in Ballari last year and was serving only Covid infected patients, will now open for all patients from Saturday. It is the third dedicated trauma centre in the state after Bengaluru and Hubballi.

In July 2021, the centre was operationalised and following the second wave of Covid-19, it was only serving the infected

Q Trauma care centres are specific about the treatment of accidents and also emergency health issues. There was no such dedicated centre in the Kalyana Karnataka region

Dr Gangadhar Gowda, Vijayanagar Institute of Medical Sciences (VIMS) director

patients. Till today, it is treating only Covid-infected patients. As the third wave is under control now, the district administration has decided to open the trauma centre for all patients from February 12.

Vijayanagar Institute of Medical Sciences (VIMS) director Dr Gangadhar Gowda said under Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) scheme, the super-speciality trauma care centre was constructed on the VIMS premises.

"Both Union and state governments contributed 80 and 20 per cent funds respectively, for the construction of the centre," he said. "Trauma care centres are specific about the treatment of accidents and also emergency health issues. There was no such dedicated centre in the Kalyana Karnataka region. Last year, Health Minister Dr K Sudhakar inaugurated the centre and it had begun serving Covid-19 patients. In the centre, orthopaedics, neurosurgery, plastic surgery and many other serious cases will be treated," he said and pointed out that around 500 staff are working in this new centre.

THEY said that they have also not received the Rs 50 lakh compensation from the Centre, promised for families of those A S H A workers who died due to COVID-19.

Apart from Covid, ASHA workers conduct a number of surveys on a day-to-day basis and are part of antenatal and post-natal care of mother and children, they added.

No more compulsory testing at airports

EXPRESS NEWS SERVICES @Bengaluru

IN fresh guidelines for international travellers, issued on Thursday, the Union Government has said there will no longer be compulsory Covid-19 testing at airports, and only random testing will be done on 2 percent of the passengers. However, a RT-PCR negative report within 72 hours will be necessary. Passengers who are Covid-19-negative will not be quarantined. The guidelines will be effective from February 14 and will be implemented at airports, seaports and land borders in the state.

The self-declaration form will still need to be filled on the Air Suvd-ha portal and a negative Covid-19 report taken before 72 hours should also be uploaded. At the time of boarding, only asymptomatic travellers will be allowed after thermal screening. The thermal screening will be repeated on arrival at the airport.

"Passengers found to be symptomatic during screening shall be isolated. If positive, their contacts will be identified and managed as per protocol. The samples of travellers who test positive in random testing shall be sent for genomic sequencing," the circular said.

Travellers from countries which exempt fully vaccinated Indian citizens from quarantine will also be given relaxation of quarantine rules in India, provided they have the complete primary vaccination certificate. The certificate will have to be uploaded on the Air Suvidha portal. The list of these countries is available on the Ministry of Health and Family Welfare website.

HIJAB ROW: PEACE MEETING HELD IN BALLARI

EXPRESS NEWS SERVICE @ Ballari

OFFICIALS of the district police and Education Department held a meeting on Wednesday with representatives of educational institutes and community heads in the wake of raging hijab row in the state.

Deputy Superintendent of Police Ramesh Kumar said to ensure peace and tranquillity, all should

follow government rules. "If anyone tries to break the law, action will be taken. The role of teachers was also important to maintain harmony in schools and colleges. After the row over headscarf and saffron shawl has broken out, teachers have managed to maintain peace on the campus," he said.

"School days are the golden time of a student's life and everybody

should keep this in mind. They should keep themselves away from anti-social elements and should not fall prey to rumours on the hijab row. The issue is in the High Court. Until the final verdict comes out, students should focus on studies and concentrate on building a good career," he added.

Rural DySP Satyanarayan Rao, DDPI C Ramappa and other officials were present.

BJP govt indulging in cheap politics, says AIDYO

harwad: Members of the All-India Democratic Youth Organisation (AIDYO) alleged that the BJP government is involved in cheap politics by instigating a hijab vs saffron hawl fight. The government, which has promised employment and other facilities has failed on all fronts and is diverting people's attention by raising unnecessary issues. "The government should stop such political games and let people lead a happy life. The government is labelled as 40 per cent commission government by contractors and first it needs to solve such problems. People are keenly watching all these issues and are ready to give a befitting reply in the upcoming elections," they said
