**INNER-party differences sur**faced in the Congress party office in Puducherry, amid protests against the Centre for its alleged political victimisation of the party leaders. This comes after the Enforcement Directorate (ED) summoned Congress interim president Sonia Gandhi and Wayanad Lok Sabha MP Rahul Gandhi in connection with the National Herald money laundering case.

A dharna was led by State party president AV Subramanian con-

said the Congress was still the strongest party in the UT but needed strengthening so, they could contest independently to

win the polls. He stated, due to the alliance, the Congress had faded in Tamil Nadu but the same should not be allowed to happen in Puducherry and hence, the party should contest alone. But the views he expressed on leadership and conducting the agitations outside the party office with a rail roko, instead of sitting inside the office were met with objections from

some quarters. Narayanasamy said the MLA's office. 0. that party leadership was advised to conduct agitations in a peaceful way and hence, the dharna was conducted in the party office. Anantharaman advised Subramanian to speak on the views expressed by Kandasamy, but the latter walked out of the party office and sat on a dharna outside the office. Later, Narayanasamy added, the Puducherry Unit of Congress Party would organise a series of agitations regarding the ED summons. Stating the National Herald case was taken up after eight years, the senior congress leader told media that the party will take out a march to Raj Nivas on Thursday.
