Students say they are located 500 km from Kyiv, add they're not facing issues now but situation may worsen

SREENU BABU PATIVADA @ Srikakulam

TWO students from the district sought government assistance for evacuation from Ukraine after Russia invaded the country.

N Kumara Swamy Naidu of Kambarivalasa village in Veeraghatham mandal and S Vamsi Krishna of Palakonda mandal headquarters are in their fifth year pursuing medicine at the Bukovinian State Medical University in Chernivtsi, Ukraine.

Speaking to *TNIE* over the phone, Kumara Swamy said, "At least 1,000 Indian students, including 70 from both Telugu states, study at the University. Among them, we two are from Srikakulam district. As of now, we don't have any problems as the bombing has begun in the western part of Ukraine which is 500 km from Kyiv city. But the situation is getting worse by the hour. All forms of transportation, markets and ATMs are closed. So, we are facing issues with regard to getting essential commodities. It seems like the situation might worsen in the next 48 hours."

"My parents are afraid of the prevailing situation. So, I request the Indian Embassy as well as the government to evacuate us as soon as possible. Indian embassy officials have directed us to safe places (nearby bomb shelters) according to Google maps list as Ukraine is under mar-

tial law. However, it will get difficult to reach these places once Russian army starts the attacks," he added. Vamsi Krishna told *TNIE*, "We are scared to see what is happening in the eastern part of Ukraine. So, we want to come back to India. I appeal the Indian government as well as the Embassy to evacuate us as soon as possible from Ukraine."

Kumara Swamy and Vamsi's parents met Srikakulam MP Kinjarapu Ram Mohan Naidu and requested him to help their children.

The MP spoke to the students through WhatsApp video call and assured them that they will be evacuated soon.

Following this, Ram Mohan Naidu also wrote a letter to External Affairs Minister Subrahmanyam Jaishankar, urging him to take necessary steps through the Indian Embassy for the safe evacuation of the students.

Ukraine crisis: Power outages, Wi-Fi issues add to parents' woes

S TRIMURTHULU @ Kakinada

PARENTS of students from the State pursuing education at various universities in Ukraine are anxious as their children are stranded in the country that Russia has invaded.

The flights, which left for Ukraine from India to evacuate those stranded, were forced to return as all the airports in Ukraine were shut in view of the air strikes.

BVV Satyanarayana of Penugudur village in Karapa mandal of East Godavari district is distressed as his daughter, Rishita, is stranded in Kharkiv city of Ukraine. It was one of the cities that was bombed by the Russian forces.

Rishita is pursuing her second year in medicine at Kharkiv National Medical University.

Rishita returned to Kharkiv on January 7 after Christmas holidays, said her father Satyanarayana and mother Hymavathi, who are deeply worried for the safety of their child. Her

younger brother studying class X in Kakinada is also worried about his sister's safety in the war-torn country.

Satyanarayana, a businessman, said he tried multiple times to contact Andhra Bhavan for help, but in vain.

He said due to lack of proper guidance by the University authorities, several students are now stranded.

When he spoke with his daughter last time, she told him that there would be power outages in the city. Rishita also informed her father that the WiFi had already stopped.

The anxious father urged the government to facilitate communication between the parents and their children in Ukraine.

"We have appointed two officers who are in touch with Telugu students. There is much concern in the wake of cancellation of flights. The AP government is coordinating with the Ministry of External Affairs to reach out to the stranded Telugu students in Ukraine," he explained.

Assuring that all steps are being taken to bring back the stranded students to AP safely, he said Chief Minister YS Jagan Mohan Reddy had already written a letter to the Union Minis-

ter for External Affairs in this regard.

"We are requesting parents not to worry about their children's safety in Ukraine. The State government is in constant touch with the Ministry of External Affairs and evolving steps to bring back the stranded students to AP in special flights once the situation improves," Suresh said. Later, he spoke to Yeshwant, an AP student stranded in Ukraine, over phone and enquired about the situation in the East European country and advised him to strictly follow all the directions issued by the Indian embassy in Kyiv and not to venture out unnecessarily.
