

## Weather Forecasts to Fishermen

In order to take the benefits of the scientific services to the users through enhancing the awareness and penetration of the ocean information and advisory services, INCOIS has conducted 05 mega awareness campaigns along coastal states of India as well as village level workshops. The mega awareness campaigns on Ocean Information and Advisory Services were conducted at Machilipatnam in Andhra Pradesh; Veralav in Gujarat; Mumbai in Maharashtra; Digha in West Bengal; and Chennai in Tamil Nadu during July- August, 2023. The Mega awareness campaigns were conducted with state Fisheries Departments, NGOs, related fishery organizations, etc. and catered for the benefit of small and marginal fishermen community for their livelihood and safety. All mega awareness programs had the participation of 200-800 fishermen for each campaign. Eight village level workshops were also conducted during January – March, 2023 at Neendakara, Chettuvu, Munambam in Kerala, Murad in Maharashtra, Karaikal in Puducherry and Tuticorin, Poompuhar, Keelakarai in Tamil Nadu. INCOIS has taken up many scientific initiatives to improve the accuracy of ocean state forecasts such as operationalization of high-resolution Operational Ocean Forecast and Reanalysis System for Indian Ocean, HYCOM-HWRF coupled model for cyclone forecasts, Multi-grid Wavewatch-III for wave modelling and introduced data assimilation and multi ensemble forecasting. The Ocean State Forecast (OSF) services consists of dynamic information on Wave height, direction, and period (of both wind waves and swell waves), Sea surface currents, astronomical tides, wind speed and direction for next 5 to 7 days. The High Wave/Swell information provides alerts / warnings to the fishermen community thereby helping them in taking informed decisions before venturing into sea. The warning on storm surge and related inundation associated with the cyclones are also issued. Wave surges and rough sea conditions associated with the effect of high period swell waves approaching from southern Indian Ocean and its chances

of flooding the coastal regions also are warned. INCOIS has further customized the OSF services and initiated "Small Vessel Advisory Services (SVAS)" that provides boat-specific safety information for fishermen thereby helping them in avoiding the regions that cause capsizing of the boats. This information is provided to the fishermen community through multiple dissemination platforms such as e-mail, website, mobile application, WhatsApp, telegram channel, mobile applications, multilingual SMS messages, etc. to ensure the timely availability of the information. In addition, partnered with NGOs for further downstream dissemination of the information to all fishermen community. Department of Fisheries, Ministry of Fisheries, Animal Husbandry & Dairying, under its flagship scheme "Pradhan Mantri Matsya Sampada Yojana (PMMSY)" provides the financial assistance to support the fishermen for potential fishing zone (PFZ) devices, communication and tracking devices like VHF/DAT/NAVIC etc. Besides, a National Rollout Plan for installation of transponders in 1,00,000 fishing boats has also been approved under PMMSY with total outlay of Rs. 364.0 Crore. The transponders are two-way communication, support and monitoring devices developed by ISRO with 100% Indigenous R&D efforts using GSAT -6 Satellite to provide warnings & message dissemination including cyclone warning, weather alerts, location of International Maritime Boundary Line (IMBL), High Tide alert, PFZ, text messaging, geofence violation monitoring etc. to the fishermen. The INCOIS launched a mobile application known as "SAMUDRA" (Smart Access to Marine Users for ocean Data Resources and Advisories) for comprehensive information on all ocean related services, useful for both seafarers and the fishing community. The mobile app empowers users with real-time updates and critical alerts on oceanic disasters such as tsunamis, storm surges, high waves, swell surge alerts, etc. This information was given by Shri Parshottam Rupala, Union Minister of Fisheries, Animal Husbandry & Dairying in a written reply in Lok Sabha.

## Bedridden for a decade, TN man gets new lease on life at Kaka Ba Hospital

Ahmedabad: In an exemplary story of compassion and medical expertise, Cadila Pharmaceuticals, through its charitable arm, the Indrashil Kaka-Ba and Kala Budh Public Charitable Trust, has given a new life to a patient from Tamil Nadu. The middle-aged patient, Wilson, who hails from Coonoor, was bedridden for over a decade due to infections in both hips and knees and faced severe mobility challenges. This impacted not only his health but also the livelihood of his family. Wilson's efforts to get treatment in Tamil Nadu did not materialise due to financial constraints. Fortunately for him, he came in contact with Dr. Bharat Champaneria, a trustee at Indrashil Kaka-Ba and Kala Budh Public

Charitable Trust, who was conducting a medical camp as part of Cadila Pharmaceuticals' CSR initiatives in Tamil Nadu. Recognizing the severity of Wilson's condition and deeply moved by it, Dr. Champaneria assured him of providing the necessary medical intervention if he was willing to travel to Hansot in Bharuch district. Sensing a rare opportunity to restore his health and bring an end to his distressing condition, Wilson agreed to make the journey from Tamil Nadu to Kaka Ba Hospital in Hansot. At the hospital, Wilson underwent extensive examinations, leading to successful Total Knee and Hip replacement surgeries. Wilson was able to stand on his own feet and move after several years.(19-1)

# Budget disbursement under AIF

Agriculture Infrastructure Fund is a medium - long term debt financing facility scheme launched in 2020. for investment in viable projects for post-harvest management Infrastructure and community farming assets. Under the Scheme, one lakh crore rupees is to be provided to the eligible borrowers by banks and financial institutions with Interest Subvention @ 3% and Credit Guarantee facility. As on date Rs.32,472 Crores have been sanctioned for 43,318 projects under AIF, out of this total sanctioned amount Rs. 20102 crores have already been disbursed. These sanctioned projects have mobilized an investment of Rs 55,248 Crores in agriculture sector. Accordingly, Rs 500 crores as B.E. and 150 crores as R.E. was allocated in 2022-23 for payment of interest subvention and CGTMS fee to banks and financial institutions. During the initial years of the launch of the Agriculture Infrastructure Fund (AIF) Scheme, the widespread Covid-19 infection all over the country badly hit the progress of the Scheme. Also, the severity of the deadly virus prevented reaching out to

various stakeholders that hindered the spread of awareness about the Scheme. The slow pace of disbursement out of the sanctioned loan is also due to the fact that setting up of infra projects takes time and disbursement takes place in a phased manner over a period of time. However, during FY 22-23, there has been a growth of around 251% from last year i.e. FY 21-22, and the progress of the FY 2023-24 is expected to bring in good results in so far as an amount of Rs 9854 crore has been sanctioned with the disbursement of Rs 7272 crore as on 01.12.2023. In total, Rs.32,472 Crores have been sanctioned for 43,318 projects under AIF, out of this total sanctioned amount Rs. 20102 crores have already been disbursed.

The Department of Agriculture and Farmers Welfare holds periodic review sessions with the Central Project Monitoring Unit (CPMUs), the State Project Monitoring Units (SPMUs), Nodal Officers of Banks and State Governments both in physical and virtual mode. Department of Agriculture and Farmers Welfare

## Marengo CIMS Hospital as a knowledge partner for Endourology Conference

Ahmedabad: Marengo CIMS Hospital, Ahmedabad is participating as the knowledge partner for the 6th Advancements in Endourology Conference 2023 in Ahmedabad scheduled between 15th and 17th December 2023. This year, the AEI Conference takes an advanced step into the future with the theme of Urotechnology. The event promises to be a promising one with the integration of advanced robotics into the realm of endourology, with a dedicated focus on Paediatric Urology to render it an enlightening and transformative experience. This is positioned as India's biggest Live Operative Urology event and will be inaugurated by Shri Amit Shah (Hon'ble Union Home Minister and Minister of

Cooperation), Shri Bhupendra Patel (Hon'ble Chief Minister Gujarat), Shri Rushikesh Patel (Minister of Health & Family Welfare, Govt. of Gujarat). The program provides numerous opportunities, allowing participants to enhance their skills using cutting-edge simulators, discover the latest innovations at an extensive trade show, and interact with a distinguished panel of experts who will share their valuable insights. This conference reflects a commitment to innovation and serves as an invaluable networking platform. The upcoming AIE edition will showcase over 25 live surgeries and host more than 22 respected International Faculty Members, alongside a distinguished group of over 70 National Faculty Members. ## realme unveils its first 5G smartphone of their Champion Series

Ahmedabad, realme, the Most Reliable Smartphone Service Provider, today announced the launch of its first 5G smartphone in its "Champion" Series - the realme C67 5G. The realme C67 5G, the 5G Charging Champion comes with 5G connectivity and combines a powerful camera, fast charging, a massive battery, an appealing design, a powerful 5G chipset, adequate RAM for multitasking, and generous storage capacity. The realme C67 5G, aims

to deliver young users with a superlative product experience at a great price. The C67 5G comes equipped with a powerful 50MP AI camera that allows users to showcase their creativity and photography. To ensure that users are able to view these pictures in top-notch quality, the C67 5G houses a 120Hz Ultra Smooth Display with FHD+ display and a 91.4% screen-to-body ratio designed for an immersive experience. It also features the Mini Capsule 2.0 in a revamped vision design. The smartphone also gets a 33W SUPERVOOC Charging solution for fast charging, with a massive 5000mAh battery that goes from 1 to 50% in just 29 minutes. The realme C67 5G comes powered by the MediaTek Dimensity 6100+ 5G Chipset that ensures powerful performance and an overall smooth operating experience. (1-7)

participates in AIF Conclaves of different States and organizes Bankers Conclave with the sole objective of spreading awareness on AIF. One-to-one meeting with Banks for increased sanction and prompt disbursement of sanctioned loans has been a routine exercise of this department. Campaigns like NOBOL (Nationwide One Branch One Loan), BEST (Bankers Enabling Sustainable Transformation), BHARAT (Banks Herald Acceleration of Rural and Agricultural Transformation) etc. among Banks are being conducted periodically and as of now, 5 campaigns have been run, which contributed Rs. 16937 crores i.e. over 52% of the total sanctions under AIF. Last year the best performing Banks and States

in these contests were honoured by the Agriculture Minister in an Award Ceremony. Also, this department participates in various workshops with the training institutions /Colleges of Banks and Central and State level Exhibitions to promote AIF Scheme.
