Advised rest, Mamata postpones week's events

Kolkata: West Bengal chief minister Mamata Banerjee's

scheduled programmes over the next one week were on Sunday postponed after she was advised to rest by doctors following a medical procedure on her right shoulder, an official said.

Banerjee was supposed to attend a programme of her party TMC at the Netaji Indoor Stadium on January 2. She was also supposed to visit the Sagar Island in South 24 Parganas on January 3 to oversee the preparations of Gangasagar Mela, and was scheduled to chair an administrative meeting in nearby Joynagar the next day.

"Doctors have prescribed her rest. All her engagements will be postponed accordingly. She requires fewer movements which will help her to recover quickly," the official said. Banerjee underwent a "small operative procedure" on her right shoulder at the SSKM hospital on Friday. The programmes are likely to be rescheduled to the week after, the official said, adding that the new dates are yet to be finalised.

Banerjee was also supposed to virtually inaugurate on Tuesday four police stations in South 24 Parganas district's Bhangar, which have been brought under the jurisdiction of the Kolkata Police. 21

Navy enhances surveillance in Arabian Sea, Gulf of Aden

Decision After Recent Incidents Of Attacks On Merchant Vessels

New Delhi: The Indian Navy has significantly enhanced its surveillance apparatus in the Arabian Sea and the Gulf of Aden by deploying frontline destroyers and frigates in view of recent incidents of attacks on merchant vessels.

Liberian-flagged cargo vessel MV Chem Pluto, with 21 Indian crew members, was the target of a drone attack off India's west coast on December 23, triggering security concerns as the incident came amid Iran-backed Houthis launching strikes on several commercial ships.

Another commercial crude oil tanker, MV Sai Baba, that was on the way to India

ENSURING SAFETY

came under a suspected drone strike in the Southern Red Sea on the same day.

"The last few weeks have witnessed increased maritime security incidents on merchant vessels transiting through international ship-

ping lanes in Red Sea, Gulf of Aden and Central/ North Arabian Sea," the Navy said.

It also referred to a recent piracy incident on merchant ship MV Ruen approximately 700 nautical miles from the Indian coast. "The piracy incident on MV Ruen, approximately 700 nautical miles from the Indian coast, and recent drone attack on MV Chem Pluto, approximately 220 nautical miles south west of Porbandar, indicate a shift in maritime incidents closer to Indian EEZ (exclusive economic zone)," the Navy said in a statement.

"In response to these incidents, Indian Navy has substantially enhanced mariti-

me surveillance efforts in Central/North Arabian Sea and augmented force levels," it said.

"Task Groups comprising destroyers and frigates have been deployed to undertake maritime security operations and render assistance to merchant vessels in case of any incident," the Navy said.

It said aerial surveillance by long-range maritime patrol aircraft and remotely piloted aircraft has been enhanced to have a complete maritime domain awareness.

Towards effective surveillance of EEZ, the Indian Navy is operating in close coordination with the Coast Guard, it said. 21

NIA: Achieved conviction rate of 94.7%, arrested 625 in 2023

TIMES NEWS NETWORK

New Delhi: As many as 43 suspects were identified in cases related to the vandalism on Indian high commissions in UK, US and Canada, thanks to the National Investigation Agency's (NIA) efforts at crowd-sourcing of information. Also, as part of its stepped up investigations into these cases in recent months, the agency carried out more than 50 raids and searches and examined 80 people in India for alleged links to the conspiracy behind the attacks.

Sharing this update as part of an year-end review of its actions and achievements, the NIA said it has scored an overall conviction rate of 94.7%, arrested 625 accused and ensured the attachment of 240 assets, including 156 bank accounts, all worth around Rs 56 crore, in 2023 as part of an intensified and focused fight against terrorists, gangsters, drug smugglers, human traffickers and other criminals working against national interests.

The NIA said its scaled-up operations across India in 2023 saw a 28% rise in arrests from 490 in 2022 to 625 this year. While 65 accused were arrested this year in ISIS cases, 114 were arrested for jihadi terror cases, 45 in human trafficking cases, 28 for terrorist and organised criminal activity and 76 in Left-wing Extremism-related (LWE) cases.

The agency registered 68 cases in

2023, including 18 related to jihadi terror across multiple states, three related to J&K, 12 related to LWE, seven involving terrorist and organised crimes in Punjab, five cases concerning the north-east region and two related to fake Indian currency notes.

The number of people charged, arrested and convicted in NIA cases stood at 513 and 74 respectively, as against 459 and 79 in 2022. The NIA managed to track down and arrest 47 accused in 2023, 14 more than last year. Also, arrests were made upon deportation and extradition — those in the net include Amritpal Singh alias Amy, Amrik Singh, Manpreet Singh alias Peeta and Mandeep Singh deported from the Philippines. Vikram Brar was arrested upon deportation from the UAE.

The number of searches and raids by the agency also recorded a significant increase, going up from 957 in 2022 to 1,040 in 2023.

In line with its targeted strategy to squeeze terror funding by seizing properties and dismantling the terror and crime ecosystems, the NIA attached properties and assets worth Rs 56 crore, up from Rs 10.5 crore in 2022. The 12 properties, worth Rs 1.5 crore, attached in 2023 belonged to six listed "individual terrorists".

Dismantling of the terrorist-gangster nexus by the NIA saw the registration of two cases, chargesheeting of 55 people, 253 raids, 27 arrests and attachment of 18 properties in 2023.
