## Keshava Rao to dump pink party for Congress

Says he will join Congress tomorrow; asserts he wanted to spend his remaining years of public life in his parent party

#### **IREDDY SRINIVAS REDDY** (ii) Hyderabad

IN what should come as a rude jolt to the beleaguered pink party, BRS Parliamentary Party leader and the party's secretary general K Keshava Rao on Thursday confirmed that he is getting ready to do a prodigal son.

He will be dumping the BRS along with his mayor-daughter Gadwal Vijayalaxmi and returning to Congress, his alma mater. They will join the grand old party on March 30 at Chief Minister A Revanth Reddy's residence. Keshav Rao's departure from the BRS comes at a time the pink party is fighting a losing battle to retain its leaders.

At the end of an eventful day, Keshav Rao, in a chit chat with reporters, confirmed his decision to rejoin the Congress. "I will rejoin the Congress on March 30," he said.

Keshav Rao said that he was 84 years old now and wanted to spend his remaining years of public life in his parent party, the Congress.

However, sources close to him said that the BRS Parliamentary Party leader reportedly had a flaming row with party boss K Chandrasekhar Rao at the latter's farmhouse where he remained unconvinced as the latter kept asking him to stay on at this hour of crisis for the party.

The BRS supremo asked him why he wanted to leave when the BRS had treated him well, giving him a very high position in the party, sending him to Rajya Sabha twice, and making him the parliamentary party leader. But Keshava Rao appears to have re-

mained unmoved. KCR recalled the lift he had given to his daughter Gadwal Vijayalaxmi, by making her the mayor of a very large city like Hyderabad.

However, Keshav Rao said that he spoke at length with KCR about the problems plaguing the BRS and remedial steps to strengthen the party. "What I

What I spoke with BRS party chief K Chandrashekar Rao is an internal party matter which I would not reveal in public, suffice to say that I put my points across

#### K Keshava Rao, BRS secretary general

spoke with KCR is an internal party matter which I would not reveal in public, suffice to say that I put my points across," the veteran leader said.

The "encounter" between KK and KCR had reportedly generated immense heat as the BRS chief probably had thought KK's decision to move on was an act of betrayal. Keshava Rao is un-

derstood to have left in a huff from the farmhouse even as KCR was persuading him to stay with him.

#### Indrakaran, Arvind Reddy too may desert BRS

After Keshava Rao returned to his Banjara Hills residence, former minister A Indrakaran Reddy and former Mancherial MLA G Arvind Reddy called on him.

The two leaders too are toying with the idea of bidding adieu to the BRS and joining the Congress. According to sources all of them are expected to join the Congress along with Keshava Rao. Keshava Rao's son Viplav Kumar said he was not changing his plumes and that he would remain loyal to the BRS and KCR. He mentioned he has nothing to do with the news doing rounds that Keshava and Vijayalaxmi

were leaving the pink party. Keshava had joined the BRS in May 2013, when he was a Congress Rajya Sabha member. KCR

then sent him to Rajya Sabha in 2014 and again in 2020. His daughter Vijayalaxmi was elected twice as a corporator on the BRS ticket and is now mayor of Hyderabad. Approximately 10 corporators, who owe their allegiance to Vijayalaxmi, are also expected to take the leap of faith along with her. Vijayalaxmi said that her decision to join the Congress would prove to be beneficial to the city as being in the ruling party would help her develop Hyderabad much faster.

As LS elections are drawing closer, Revanth Reddy is implementing a strategy to ensure an increase in his party's footprint by inducting leaders from the BRS.

Knowing fully well that the Congress did not fare well in GHMC limits in the Assembly elections, he wants to secure the party in the capital so that there would be no electoral blowbacks in Lok Sabha constituencies that are spread across Hyderabad and in the surrounding areas.

# Skyroot test-fires stage-2 of Vikram-1 space launch vehicle

#### **AARTI KASHYAP** @ Hyderabad

CITY-based start-up Skyroot Aerospace successfully test-fired the second stage of the Vikram-1 space launch vehicle, named Kalam-250, at the propulsion testbed of the Indian Space Research Organisation (ISRO) at Satish Dhawan Space Centre (SDSC) in Sriharikota on Wednesday. Vikram-1 will be India's first rocket vehicle in the private sector, designed and manufactured entirely in India.

The second stage of Vikram-1 plays a crucial role in the ascent of the launch vehicle, propelling it from the atmosphere to the deep vacuum of outer space. The test, lasting 85 seconds, recorded a peak sea-level thrust of 186 kilonewtons (kN), which will translate to a fully expanded vacuum thrust of 235 kN during flight.

The stage-2 test follows the Skyroot Areospace suborbital space launch in November 2022. The third stage of Vikram-1, Kalam-100. was successfully test-fired in June 2021.

The Kalam-250 features a high-strength carbon composite rocket motor using solid fuel and a high-performance ethylenepropylene-diene terpolymers (EPDM) thermal protection system (TPS). The stage includes a carbon ablative flex nozzle along with high-precision electro-mechanical actuators for thrust vector control of the vehicle, aiding in achieving the desired trajectory. This test also received significant support from another ISRO centre, the Vikram Sarabhai Space Centre (VSSC), which provided its proprietary head-mounted safe arm (HMSA) for the test, ensuring the safe operation of the rocket stage.
