

Direct Tax Mopup Tops 58% of Full-Year Target

Driven by 31.8% surge in I-T collection & 12.5% in corporate

Our Bureau

New Delhi: Net direct tax collections rose 21.8% from a year earlier to ₹10.6 lakh crore, breaching 58% of the full-year target and indicating strong economic activity, a Central Board of Direct Taxes statement said Friday. The mop up was driven by a 31.8% surge in the collection of personal income tax and 12.5% in that of the corporate tax, after adjusting for re-

funds, it said. The CBDT said tax refunds of ₹1.77 lakh crore have been issued so far. On a gross basis, overall direct tax collection has grown 17.6% so far this fiscal from a year before to ₹12.37 lakh crore. Gross corporate tax has grown 7.1% while the personal income tax has risen by 28.3%. Including the Securities Transactions Tax, the personal income tax growth stood at 28%. The budget for FY24 has estimated direct tax collection of about ₹18.23 lakh crore, representing a 9.8% growth from a year before. Robust direct tax collection, on top of strong goods and services tax mop-up, are expected to help the Centre in its efforts to realise its FY24 fiscal deficit target of 5.9% of GDP. The central government's fiscal deficit in the first half of this fiscal year touched 39.3% of the annual target, up from 37.3% a year before but it remained under control after a spike until July.

JUNKS REVENUE DEPT PLEA

Transfer Pricing Case: ITAT Rules in Favour of BBC

Suyash.Kumar
@timesgroup.com

New Delhi: The Income Tax Appellate Tribunal (ITAT) has ruled in favour of BBC World (India) in a transfer pricing case, dismissing the revenue department's appeal. Income Tax authorities had sought to categorise advertisement and other expenses borne by BBC World (India) Pvt Ltd as cost base for charging a mark-up. The cost-based method for charging a mark-up increases the income of the assessee, resulting in a higher tax payable amount. ITAT considered the advertisement expenses a pass-through cost as it was not associated with the main business activity of BBC World (India). Expenses such as advertisement and publicity, business promotion, and participation in trade events, which were undertaken by BBC World (India) at the request of the overseas entity or Associated Enterprises under an agreement aren't core expenses of BBC World (India). ITAT agreed with Commissioner of Income Tax Appeals CIT(A)'s reasoning that "the budget was also controlled by the associated enterprise. Tax experts say that the ruling underscores the need for robust documentation by companies. "The ruling again emphasises the importance of robust back-up documentation supporting the inter-company transactions," said Nitin Narang, Partner, Transfer Pricing, Nangia Andersen India.

Goyal to Visit US Next Week for IPEF Meet

Our Bureau

New Delhi: Commerce and industry minister Piyush Goyal will visit San Francisco from November 13 to 16 to attend the ministerial meeting of Indo-Pacific Economic Framework (IPEF), the Centre said Friday. Goyal will also hold bilateral meetings with the US secretary of Commerce Gina Raimondo.

DRAFT FRAMEWORK FINALISED

Soon, Vehicle Cos Must Install In-built Collision Warning Signal

Yogima.Sharma @timesgroup.com

New Delhi: India would soon mandate passenger and commercial vehicle manufacturers to install an in-built 'moving off' information system (MOIS) in certain categories of four-wheelers to significantly reduce the possibility of collision with pedestrians and cyclists in close proximity. The ministry of road transport and highways has finalised the draft framework in this regard, a senior government official told ET. The proposed system will inform the driver of the presence of pedestrians and cyclists in the close-proximity and warn him. The ministry aims to reduce the number of road accidents in India to half by 2024. As per official data, 21.4% of all road accidents are due to 'hit from back' collisions, 15.4% by 'hit from side' and 3.1% with parked vehicles. A blind spot is the area or zone on the road outside of the driver's field of vision. The draft lays out the automotive industry standards for MOIS and will be notified after public consultation. The government is of the view that vehicles moving off at low-speed from rest manoeuvres often get involved in collision with pedestrians and cyclists, resulting in serious consequences for these vulnerable road users (VRUs). In the past, VRU safety was raised by increasing the number of mirrors to provide better visibility of the area in front of the vehicle. The draft proposes that the activation and deactivation strategy for this collision warning signal may be determined by the manufacturer. However, in case of system failure or sensor contamination, the proximity information signal and collision warning signal shall be deactivated together, it said.

NHAI Accepts First Insurance Surety Bond as Bid Security

New Delhi: The National Highways Authority of India (NHAI) has accepted first insurance surety bonds as bank guarantee for the proposed monetisation of toll operate transfer (TOT) bundle 14, a move aimed at boosting liquidity and capacity of bidders, said the road transport and highways ministry. "Insurance surety bond has been issued for NHAI monetization bid of TOT bundle 14 @ 0.25% by the insurer without any margin money," it said in a statement on Friday. "This will translate into big savings for concessionaires, which will further enhance liquidity in the market, thereby fostering an environment conducive to the growth and development of the road sector." The NHAI has been working closely with the Highway Operators Association of India, SBI General Insurance and AON India Insurance to implement this initiative. **Our Bureau**

Notes:

- The above is an extract of the detailed format of quarterly and year to date audited financial results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the quarterly audited financial results are available on the Stock Exchange websites i.e. **www.bseindia.com** & **www.nseindia.com** and also on the Company's website **www.hal-india.co.in**.
- The Company has prepared these standalone and consolidated financial results in accordance with the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013.
- The Statutory Auditors have issued unmodified opinion on the standalone and consolidated financial results of the Company for the quarter and half year ended 30, September 23.
- The Shareholders of the Company, at the 60th Annual General Meeting held on 31 August 2023, had approved the sub-division of one equity share of the face value of ₹10 each into two equity shares of face value ₹5 each. The record date for the said sub-division was set at 29 September 2023. The basic and diluted EPS for the prior periods have been restated considering the face value of ₹5 each in accordance with Ind AS 33- "Earnings per Share" on account of the above mentioned sub-division of equity shares.
- Figures for the previous periods have been regrouped / reclassified to conform to the classification of the current period, wherever necessary.
