

CONSTITUENCY WATCH ALOT: VOTERS EXCITED OVER BATTLE OF THREE HEAVYWEIGHTS

Two ex-MPs clash with sitting MLA for supremacy

DINESH SHUKLA
Aloit

In one of the most interesting contests in Madhya Pradesh Assembly Elections 2023, two former MPs will face a sitting MLA in Aloit constituency of Ratlam district. The competition is expected to be fierce, with each candidate vying for the attention and votes of the constituents.

Former MP Premchand Guddu, who is contesting as an independent candidate after Congress denied him a ticket and chose sitting MLA Manoj Chawla over him against BJP candidate and former MP Prof Chintamani Malviya.

All the candidates, known for their political experience and influence, have brought a new level of excitement to the constituency. Their entry has sparked intense debates and discussions among the voters, who are now eagerly waiting to witness this intriguing battle of political heavyweights.

Many believed that with three strong candidates vying for the seat, it was expected to be a highly competitive and closely watched contest. The presence of multiple experienced politicians from different parties will surely make this election an interesting battle of ideologies and strategies.

With the voting date nearing, all the candidates are organising public rallies and meet-

RECORDS IN THE PAST

Congress' Manoj Chawla won the 2018 elections. He defeated the BJP's Jitendra Thawarchand Gehlot securing 80,821 votes. BJP on the other hand, bagged 75,373 votes. Wherein 2013, BJP's Jitendra Thawarchand Gehlot won securing 73,449 votes, which made 50 per cent of the total votes. He defeated Congress' Ajit Premchand Guddu who secured 65,476 votes. Earlier in 2008, Manohar Untwal of the BJP won the elections.

GUDDU'S PRESENCE & FERTILISER THEFT INCIDENT

Premchand Guddu's presence might change the equation and bring a fresh perspective to the situation as he has the potential to sway voters from both major parties.

On the other hand, the recent fertiliser theft incident in which sitting MLA and Congress candidate Manoj Chawla was prime accused anticipated that the incident might benefit him. But many believed that this Congress candidate might not ripped rich dividends from this as many farmers in the region believed that it was all political stunt ahead of elections and farmers here are still running from pillar to post to get fertiliser.

ings to address larger crowds and convey their party's vision and promises.

Additionally, the candidates are actively engaging with local community leaders and influencers to gain their support and endorsements, recognis-

GEHLOT FAMILY'S LONG-STANDING POLITICAL INFLUENCE

A major reason for the frustration among the voters was that this seat has been under the control of the family of senior BJP leader and Karnataka Governor Thawarchand Gehlot. This has raised concerns about potential conflicts of interest and the consolidation of power within a single family. Despite the majority of Dalit votes, no Dalit leader was able to come forward. This lack of representation has led to a sense of disillusionment and frustration among the Dalit community. For a very short time, Manohar Untwal had a good hold on the seat, but later, when he became an MP this seat again went to the Gehlot family. Critics argue that such dynastic control undermines the principles of democracy and hampers fair representation for all constituents.

ing the importance of building strong alliances in their campaign efforts. The outcome of the election will ultimately determine the political landscape of the area and shape its future trajectory.

CANDIDATES' TAKE

Sitting MLA and Congress candidate **Manoj Chawla** said that he got voters' blessings in 2018, and since then, he has been continuously standing with the people of the area and fighting for them.

"I have even gone to jail while fighting for the farmers, and I will continue to fight for my people till my last breath. My commitment to fighting for farmers stems from my unwavering dedication to ensuring a fair and equitable society for all." "I believe that with the Congress government in power, there will be a renewed focus on addressing the unfinished development projects in the area. By leveraging their expertise and resources, we can expect to see significant progress and improvements that will benefit the community as a whole."

BJP candidate **Chintamani Malviya** said that many development works have been done in

the area under the BJP government, and many development works will continue to be done in the future as well. He emphasised that the BJP government has prioritised infrastructure projects, such as road construction and electricity supply, which have significantly improved the living conditions of the people.

Malviya also assured the workers that the party remains committed to ensuring inclusive growth and prosperity for all sections of society. "If the people bless me and allow me to serve them as a MLA, then I will live up to their trust and will do my best to remove the shortcomings that remain in the area. Also, improving health facilities and setting up industries will be my priorities."

Independent candidate **Premchand Guddu** believes that his deep connection with Aloit and its residents enables him to truly comprehend their problems. He emphasised that his decision to run as an independent candidate is solely based on the request and trust placed in him by the people of Aloit.

"By leveraging my strong relationships and understanding of the community, I am confident in my ability to effectively advocate for the implementation of these much-needed initiatives. Additionally, I am committed to maintaining open lines of communication with constituents, ensuring that their voices are heard and their concerns are addressed promptly."

CASTE EQUATION

The seat is reserved for the Scheduled Caste (SC), with a significant number of Dalit voters. Additionally, Rajput voters hold considerable influence and are considered the second-largest voting group in this constituency. Internal conflict may cause problem

Initially, many considered that the BJP had the upper hand here and the party might regain the seat, but sudden mass resignations that occurred two months ago caused a major setback for the BJP's chances of winning the seat. The resignations created a sense of uncertainty and instability within the party, leaving their prospects in this constituency uncertain.

ISSUES AT A GLANCE

Despite two former MPs being in fray along with the sitting MLA, the people of the area are still struggling to get good health facilities, education, and employment.

■ **NO MAJOR INDUSTRIES:** Due to lack of major industries in the area, the unemployed people here go to Rajasthan and Gujarat for employment.

■ **KANJAR MENACE:** The law and order situation due to the Kanjar menace is a major problem in the area. The Kanjar menace has led to an increase in crime rates and a sense of fear among the residents. Efforts to combat this issue have intensified, with the local authorities implementing stricter security measures and collaborating with law enforcement agencies.

■ **POOR HEALTH FACILITIES:** The local population continues to face the challenges of inadequate healthcare facilities. Lack of specialised healthcare services has forced many individuals to travel long distances for treatment, putting a strain on their financial resources.

BJP, Cong set eyes on 30 seats of Vindhya region
Saffron party's flag always fluttered high in this areaRAVISHANKAR PATHAK
Satna

Political parties, especially the Congress and the BJP, are focusing on the Vindhya region in Madhya Pradesh.

There is a saying that the political party which wins Vindhya rules the state. It means the key to power lies in the womb of Vindhya.

This is the reason why the BJP and the Congress have set their eyes on the 30 assembly constituencies in the region.

The leaders who have switched over from the Congress and other parties to the BJP are strengthened the ruling party in this region in 2008 and 2013 elections.

Time and political equations

changed, but the Vindhya region always supported the BJP. In the 2018 election, the Congress won 24 seats out of 38 in the Mahakoshal region; whereas the BJP got 13 and independent one.

It was Vindhya region in the state, where the BJP maintained its winning spree. The BJP won all the eight seats in Rewa. This is the reason why the Central leaders of both the parties are talking about the Vindhya region.

Prime Minister Narendra Modi, Union Home Minister Amit Shah, Defence Minister Rajnath Singh, BJP's national president JP Nadda, and Railway Minister Ashwini Vaishnaw visited the region several times. Modi

visited region thrice. Because caste plays an important role in the polls in this region, the small players like the BSP, the Communist Party, the SP and the Lok Janshakti Party try to find their base.

New entrants get tickets

Instead of veterans, the political parties have kept their faith in the newcomers in the current assembly election. The top BJP leadership is paying a special attention to the constituencies in the Vindhya

region.

BJP legislator from Teonthar Shyamal Dwivedi, Panchulal Prajapati from Mangawan, Kedar Shukla from Sidhi and Ramallu Vaish from Singrauli have been denied tickets.

Two Members of Parliament, Ganesh Singh from Satna Lok Sabha constituency and Riti Pathak from Sidhi, are trying their luck in the assembly election.

Bagheli language, Bagheli cuisine and castes play an important role in the elections in the Vindhya region.
