cattle menace.

Issued earlier this week to municipal corporations and municipalities, the guidelines recommend installation of high resolution cameras on vehicles used to impound stray cattle so that biker gangs can be identified through their vehicle registration numbers.

The 'Friends of Cattle' scheme allows people to donate money that will be used to buy fodder for cattle. Citizens can visit a city civic centre and make donations. "Police complaints must be filed against the biker gangs. Install high resolution cameras on vehicles used to round up cattle so that the offenders and their vehicle registration numbers can be captured," the fresh set of guidelines states.

the Iresii see or games states.

Acknowledging that police protection is often required by civic body teams that impound stray cattle, the guidelines said, "In the guidelines said, "In the commissionerate areas, a DCP level officer, and in nagarpalika areas, a DySP level officer must be appointed as the nodal officer to provide police protection."...

All cattle owners must get permits and licences for their cattle and should not be allowed to keep more bovines than what has been permitted, the guidelines

### Gohil accuses Gujarat govt of excess payment of Rs 3,900 crore to Adani Power Mundra

AHMEDABAD: Gujarat Congress chief Shaktisinh Gohil on Saturday accused the Bharatiya Janata Party (BJP) government in the state of making an excess payment of Rs 3,900 crore to Adani Power Mundra Limited (APMuL) over five years under two power purchase agreements (PPA), an allegation the government denied.

Gujarat government spokesperson and cabinet minister Rushikesh Patel said the allegations were "misleading", stating that the payment was only interim and not final. The state-run Gujarat Uria Vilas Nigam Limited (GUVNL) paid Adani Power Rs 13,802 crore between October 2018 and March 2023 even when the latter did not submit any invoice or supporting documents of coal procurement (for its power plants), Gohil claimed at a Gujarat government plants), Gohil claimed at a

The Congress leader called it a "textbook case of corruption, money laundering, loot of public money and above all, the classic case of cronyism that the Prime Minister and his government

represent," and demanded a probe by the Enforcement Directorate and other Directorate and other agencies into the "massive scam." GUVNL realised it scam. GOVNL realised it made an excess payment of Rs 3,900 crore to Adani Power only after US-based Hindenburg Research exposed alleged wrongdoings of Adani Group, Gohil claimed. In the letter, the GUVNL stated that the rate at which coal was being purchased by

which is not reflecting the actual market value of Indonesian coal from time to time and not submitting the supporting documents," stated the letter. Responding stated the letter. Responding to the allegations, minister Rushikesh Patel said a settlement deed was executed on January 2, 2022, for resolution of outstanding issues between GUNNL and APMuL, and the former requested the Central Electricity Regulatory. Commission (CERC) to fix the base rate for the above contract after verification, keeping in view the market price as of 15.10.2018.
